

Sprint Plan 4
November 18, 2018
Revision Number 1

JADE Goal: Short, 1-2 sentence description of the high-level goal(s) for the sprint.

Task listing, organized by user story:

- User Story 1: As a user, I want to be able to connect with other users so that I can share my resources to people I know.
 - Task 1: Allow users to be able to add friends and allow us to look at friends resources.
Estimate Time: 4 hours
 - Task 2: Allow users to chat with one another
Estimated Time: 5 hours
- User Story 2: As a user, I want to be able to see visuals of the resources so that I know what resources are being offered
 - Task 1: Allow users to upload pictures of resources
Estimated Time: 3 hours
- User Story 3: As a user I want to be able to see resources near me so that I can know what resources are accessible to me
 - Task 1: Allow users to see a map of nearby resources.
Estimated Time: 5 hours
- User Story 4: As a user, I want to be able to comment on resources I am interested in.
 - Task 1: Create a comment function to be able to contact resource owner.
 - Estimated Time: 4 hours

Team roles:

Project Owner: Jade

Scrum Master: Donald
